

SIGG Switzerland Bottles AG – „The art of hydration. Excellence since 1908.”

SIGG stands for premium eco-friendly water bottles. With more than 100 years of expertise, “the Original Swiss bottle” demonstrates worldwide leadership and qualitative craftsmanship. This unique shape is part of MoMA’s assortment in New York. SIGG bottles are recyclable and contribute to reducing the world’s carbon footprint

Do you want to move something ahead and play a key role in building a strong brand? Are you thirsty for changes? Check, check, check? Very good, then we are looking for you as

Junior Online Sales Manager 100% (m/w/d)

In this multi-functional role, you will work hand-in-hand with our International Online Sales Manager. You will support him actively in the expansion of the Online- and Amazon business.

Your Mission:

- Actively manage the two digital agencies (for Amazon EU & USA):
 - Follow-up of the ongoing projects
 - Coordinate the product page improvements (texts, pictures, prices)
 - Share the new product information and product launch plan
 - Coordinate the execution of online promotions (Easter, Black Friday, Prime Day)
 - Track the advertising performance and make recommendations
 - Report any issue/improvement (on Amazon or Vendor Central)
- Creation of new contents for Amazon, in coordination with the marketing team
- Collaborate with our AVS (Amazon Brand Specialist) on various projects
- Ensure a good communication and a smooth collaboration with the Inside Sales Team
- Administrative support: Control of invoices, credit card statements etc.
- Create performance reports & presentations for the top management
- Back up for the International Online Sales Manager
- Collaborate with various stakeholders (internal & external)
- Ongoing development of your area of responsibility

Your Strengths:

- Completed studies in the field of digital, business administration, marketing or comparable course of studies
- You have gained first experiences in the digital world (digital marketing, e-commerce)
- You are proficient in Microsoft Office applications and learning new software applications is a breeze for you (e.g. Amazon Vendor Platform)
- You have strong analytical skills and you are always solution-oriented
- Your outgoing, open personality and creative nature round off your profile
- Your English skills are very good, German language skills a plus

Your Perspectives:

- You can expect varied and different tasks for a top brand with a world-renowned reputation
- The employment conditions at SIGG are excellent, the compensation in line with the market and the benefits are attractive
- You have at least five weeks of vacation and bridge days are paid
- Your working hours and location are flexible - you will find modern, well-equipped workplaces in the office (CH-Frauenfeld or DE-Göppingen).
- SIGG is committed to a culture of inclusion, equal opportunities and valuing diverse perspectives.points of view

Sounds like a match? Then we are looking forward to receiving your application with your salary expectations by application-tool ([Link to application-tool](#)), by January 17, 2021.
